## WE CREATE SAFETY CERTAINTY

At Vertical Horizonz, we are structured training specialists, empowering revolutionary change to give you the certainty of knowing your people are protected.

Through our highly tailored training solutions and world-class advisory, partnership, development services, we will help you achieve standout business performance.

As a Registered Training Organisation, we provide you with nationally recognised qualifications, ensuring the approved quality standards are met.

### WE KNOW YOUR INDUSTRY

All our trainers have extensive industry experience, and have been selected to join the Vertical Horizonz team because of their standout performance within their chosen field.

As subject matter experts, our trainers speak from experience, demonstrating industry best practice and providing practical and contextualised advice. They understand the everyday challenges faced by your employees, and are positioned to provide meaningful training experiences

### WE ARE ACCREDITED AND COMPLIANT

As a Registered Training Organisation, we are bound to meet the requirements of the Australian Skills Quality Authority (ASQA).

We are members of the Working at Height Association (WAHA) and the Resource Training Council (RTC)

Partner accreditation in conjunction with Vertical Horizonz Group and Vertical Horizonz New Zealand to offer Nebosh & Global Wind Organisation training packages

## WE OFFER MORE THAN JUST TRAINING

As recognised leaders in safety solutions, Vertical Horizonz Australia provides world class advisory, partnerships, development, and training services. We empower change to give our clients the certainty of knowing their people are equipped with the skills and knowledge they need to be safe.

<h3>Advisory</h3> <p>We provide trusted advice and uncompromising leadership to forge business performance. Our specialised knowledge of industry best practice enables us to develop and implement customised solutions, helping you achieve strategic safety solutions.</p>	<h3>Training</h3> <p>We create complete training solutions, setting the benchmark for safety training. Our responsiveness enables us to assess the current skills of your workforce and provide a unique solution that meets your specific needs.</p>
<h3>Partnerships</h3> <p>We build highly valued business partnerships to provide you with agile and innovative solutions. Our collaborative approach to problem solving enables us to deliver quality training, allowing you to focus on the bigger picture and getting the job done.</p>	<h3>Development</h3> <p>We design advanced professional development programs that empower change. Our custom-made solutions will revolutionise your workforce, enabling your people to perform at the highest possible standard.</p>

# INVESTMENT SCHEDULE

The rates quoted exclude trainer travel and accommodation.

For training delivered outside 200 km of the main centres below, travel may be on-charged at \$0.75/km (Brisbane, Bundaberg, Rockhampton, MacKay, Townsville, Cairns, Sydney, Melbourne, Adelaide, Perth and Darwin) and accommodation at \$200/night (excl. GST). Flights will be on-charged at cost where this is the most cost-effective option.

### Investment Includes:

- Insurance both General Liability and Indemnity.
- Coordination of all course bookings.
- Comprehensive learner guide for each trainee.
- Issue of a course certificate within 10 working days of successful initial course completion.

### The Client Investment:

Where required, the client will provide:

- Suitable equipment, and
- Suitable venue for theory and/or practical training and assessments.

## Planning Considerations:

- At time of booking a course confirmation letter will be sent to your organisation, this will confirm date, location and attendance numbers.
- A Purchase Order number (if required) will be provided prior to each course delivery.
- Billing will be carried out by Vertical Horizonz Australia's accounts section direct to your company or nominee(s) as agreed at the time of booking.
- Vertical Horizonz Australia require all vehicles, plant and equipment being supplied for courses to be of a safe and compliant state.

## Cancellation and Postponement Procedure:

Notification of cancellation or postponement of training must be made in writing. The following shall apply:

- Confirmed training cancelled or postponed by the client within three to five business days of the course commencement date will be invoiced at 50% of the agreed course fee,
- Training cancelled or postponed by the client within two business days of the course will be invoiced at the full quoted rate plus any associated costs e.g. accommodation/flights booked, rental vehicles etc.,
- No cancellation fee is charged if notice has been given 6 or more working days in advance.
